

# Save Time and Money in One Simple Step

Your insurance payment is due and now you have to decide – “Do I have a stamp or do I need to make a trip to the post office?” By enrolling in electronic funds transfer (EFT) to pay your bill, the answer is neither!

This convenient and money-saving payment method saves you time by automatically paying your bill when it is due. Once enrolled in EFT, your financial institution automatically transfers the amount specified on your bill from your account directly to The Main Street America Group.

Main Street America, which has been serving the insurance needs of individuals, families and small businesses for 85 years, also offers policyholders the following advantages for enrolling in EFT:

- **Saves money** – You will save approximately \$65 per year in installment fees!\*
- **Safe and convenient** – Payments are automatically made securely to Main Street America from the financial institution you select.
- **Avoids late payments** – There is no need to worry about lost or misplaced bills arriving late and having to incur a late fee or cancellation.
- **Saves time** – Writing checks and buying stamps become a thing of the past.
- **Easy and flexible** – This once-and-done process automatically continues when your insurance policy renews. Additionally, funds can be transferred directly from either your checking or savings account. If for some reason you decide to opt-out of EFT, simply provide us with 30 days written notification and the service will be discontinued.
- **Notification of withdrawals** – You will receive written notification 20 days prior to the transfer of funds from your account.

*\*Savings will be less in some states.*

Enrolling in EFT is simple. Visit [msgroup.com](http://msgroup.com) and click on “Learn About Your Options” on our Web site’s home page. Once on the “Learn About Your Options” page, under the “Electronic Funds Transfer (EFT)” bullet, click on “Click here to register for this service.” Simply print, complete and return the sign-up form to Main Street America. You also can enroll by filling out an EFT form at your independent insurance agent’s office.

**P**aying bills usually ranks on par with going to the dentist on a consumer’s list of favorite things to do. The Main Street America Group, which has been serving the insurance needs of individuals, families and small businesses for 85 years, can make the process of paying your insurance bill painless through our electronic funds transfer (EFT) payment method.
